

# SURFACE MOUNT J-BOX FOR AREA LIGHT

## INSTALLATION INSTRUCTIONS

### ⚠ CAUTION

PLEASE READ INSTRUCTIONS BEFORE COMMENCING INSTALLATION AND RETAIN FOR FUTURE REFERENCE.  
Electrical products can cause death or injury, or damage to property. If in any doubt about the installation or use of this product, consult a competent electrician.

### ⚠ WARNING

1. To reduce the risk of death, personal injury or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards read all warnings and instructions included with and on the fixture box and all fixture labels.
2. Before installing, servicing, or performing routine maintenance on this luminaire, follow these general precautions.
3. Installation, service and maintenance of luminaires should be performed by a qualified licensed electrician.
4. For the installation: If you are unsure about the installation or maintenance of the luminaire, consult a qualified licensed electrician and check your local electrical code.
5. To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.

### ⚠ WARNING

1. Turn off electrical power at fuse or circuit breaker box before wiring fixture to the power supply.
2. Turn off the power when you perform any maintenance.
3. Verify that supply voltage is correct by comparing it with the luminaire label information.
4. All wiring connections should be capped with UL approved wire connectors.
5. Suitable for Wet Locations

## Installation Steps

1. Drill holes into the surface. (Figure 1)
2. Insert the expansion bolts into the surface. (Figure 2)
3. Attach fixture to Surface Mount J-Box with two Screws (provided). (Figure 3)
4. Wire fixture leads to supply wires and push the wires into Surface Mount J-Box. (Figure 4)
5. Securely mount the Surface Mount J-Box onto Expansion Bolts with nuts. (Figure 5)
6. If Conduit entry is desired, remove the Conduit cap as shown in Figure 3, feed the supply wires through the Conduit opening, wire the Fixture leads to the supply wires, push all wires into Surface Mount J-Box, and then follow the above mounting instructions
